## CLASS DESCRIPTION

### 2015 International Energy Codes

The Idaho Building Code Board has recommended the adoption of the 2015 IECC and these codes go into effect in January, 2018. The session will review all of the changes affecting commercial and residential construction from the currently adopted energy codes in Idaho.

This class will cover a broad range of topics including;  
 The 2015 IECC and how to comply.  
 Energy Rating Index (The mpg sticker for houses)  
 Benefits of energy efficiency

This class will be taught by George Klomp, a member of the PBCLRB Board, a local contractor and former Idaho Falls Building Official.
